Trivandrum

Subject: Repatriation of Domestic Service Worker

With reference to your email dated 2nd February 2021 regarding the repatriation of DSW Ms. Suma Loran's passport number K7107751, we would like to bring to your notice that the sponsor informed us that the house maid ran away from their residence on April. We spoke to the house maid and understood that she went to the Embassy and submitted the form for repatriation.

For and on behalf of
